

The study "Current trends and approaches to media literacy in Europe" has been carried out for the Commission by the Universidad Autonoma de Barcelona in the second half of 2007. The objective was to map current practices in implementing media literacy in Europe. The study covers the 27 Member States of the European Union and the EEA Member States.

You can download the study below. More information can be found on the EU Commission page [here](#) . You can also find there country profiles from [Austria](#) , [Hungary](#) , [Slovenia](#) , [Finland](#) , [Ireland](#) , [Spain](#) , [France](#) , [Italy](#) , [Germany](#) , [Portugal](#) and the [United Kingdom](#) .
