

(My Neighbourhood, My Life, My Story)

A new Berlin project which develops the original ideas from "When I was 16" further. The project is aimed at senior citizens and gives them the chance to create their own photo stories. The project was exploring possible video educational perspectives within this approach. You can download our guide below. Or go the project [blog](#) .

 Guide [📄]

The project was supported by the Medienanstalt Berlin-Brandenburg. **mabb** medienanstalt_berlin_brandenburg
